

## A CALL TO ACTION FOR FREEDOM AND STATE SOVERIENGTY

The following are members of the committee on Real ID and Personal Privacy with capitol phone numbers. These members need to be called, with high priority members listed first and their geographical area. Ask them to support HCR 13 and HB 361 with a DO PASS vote. You can make a second call a few days later; these calls can be made over the next week. It will be a week before a vote will be taken. Ask your friends to also make some calls.

Thank you for your help in protecting freedom.

### *Rep. Jim Guest*
